Independent Auditor's Report

To the Board of Directors of the Bruce Peninsula Biosphere Association

We have audited the accompanying financial statements of Bruce Peninsula Biosphere Association, which comprise of the balance sheet as at December 31, 2016 and the statements of operations, changes in net assets and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many charitable organizations, the organization derives revenue from donations and fundraising the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the organization. Therefore, we were unable to determine whether any adjustments might be necessary to fundraising and donation revenues, excess of revenue over expenditures, and cash flows from operations for the years ended December 31, 2016 and 2015, current assets as at December 31, 2016 and 2015, and net assets as at January 1 and December 31 for both the 2016 and 2015 years. Our audit opinion on the financial statements for the year ended December 31, 2015 was modified accordingly because of the possible effects of this limitation in scope.

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Bruce Peninsula Biosphere Association as at December 31, 2016 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Bruce Peninsula Biosphere Association Notes to Financial Statements

December 31, 2016

1. Summary of Significant Accounting Policies

Nature and Purpose of Organization

Established in 2000, the Bruce Peninsula Biosphere Association is dedicated to implementing the concepts of UNESCO World Biosphere Reserves within the 750 kilometre long Niagara Biosphere Reserve. The Association is a registered charity under the Income Tax Act and, accordingly, is exempt from income taxes, provided certain requirements of the Income Tax Act are met.

Basis of Accounting

The financial statements have been prepared using Canadian accounting standards for not-for-profit organizations.

These financial statements have been prepared using the accrual basis of accounting. The accrual basis recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

Revenue Recognition

The Association follows the deferral method of accounting for contributions.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions are recognized as revenue in the year in which the related expenses are recognized.

Donations, fundraising, raffle and memberships are recorded when received.

Capital Assets

Capital assets are not recorded on the balance sheet. Expenditures for capital assets in the year are recorded as expenses and disclosed in the statement of operations.

Pledges

Pledges to donate funds to the Association are not included in revenues until such time as the funds are received.

Bruce Peninsula Biosphere Association
Notes to Financial Statements

December 31, 2016

1. Summary of Significant Accounting Policies - (continued)

Contributed Services	Volunteers assist the Association in carrying out its service delivery activities. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.
Contributed Materials and Services	Contributed materials and services which are used in the normal course of the Association's operations and would otherwise have been purchased are recorded at their fair value at the date of contribution if fair value can be reasonably estimated.
Financial Instruments	Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial instruments are reported at cost or amortized cost less impairment. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are charged to the financial instrument for those measured at amortized cost.

2. Accounts Receivable

There are no impairment allowances relating to accounts receivable.

	<u>2016</u>	<u>2015</u>
Grants and other	\$ 37,811	\$ 100
HST Recoverable	17,643	17,631
	<u>\$ 55,454</u>	<u>\$ 17,731</u>

3. Accounts Payable and Accrued Liabilities

There are \$3,786 in government remittances included in accounts payable and accrued liabilities (2015 - \$1,867).

Bruce Peninsula Biosphere Association
Notes to Financial Statements

4. Deferred Revenue

	2016	2015
Environment Canada - EcoAction	\$ -	\$ 7,322
Environment Canada - Phragmites	-	14,050
Environment Canada - Habitat Stewardship	-	5,315
Friends of the Greenbelt Foundation	-	4,092
Municipality of Northern Bruce Peninsula	-	8,400
Ontario Trillium Foundation	22,231	-
Ministry of Natural Resources and Fisheries	-	14,690
Ausable Bayfield Conservation Authority	-	4,626
Ministry of Environment - Great Lakes Guardian Community Fund	10,885	-
Ontario Soil and Crop Improvement Association (OSCIA) - Great Lakes Agricultural Stewardship Initiative (GLASI)	10,715	-
Ministry of the Environment	33,500	-
	\$ 77,331	\$ 58,495

5. Financial Risks

The Association is exposed to risks that arise from its use of financial instruments. The Association's financial instruments consist of cash and bank, accounts receivable, and accounts payable and accrued liabilities. It is management's opinion that the Association is not exposed to significant currency risk arising from these financial instruments. The Association is exposed to credit risk arising from its accounts receivable and liquidity risk arising from its accounts payable and accrued liabilities.
